

801 - REVEGO uno			
	Component	Part Number	Description
Hinge Bracket Set		801TXXXX.L2	XXXX changes per length (height) Handed (R2 = Right, L2 = Left)
Pocket Profile Set		801PXXxE.L2	XXX changes per length (depth) Handed (R2 = Right, L2 = Left)
Pocket Connector Set		801V505B	With leg levelers Non-handed
	- OR -		
Pocket Connector Set		801V605B.L1	Without leg levelers Handed (R1 = Right, L1 = Left)
Optional Accessories		801Z	1 - Scuff guards 2 - Inter-door supports
Pocket Connector Template		STL.8000	Used to pre-drill pocket panels for pocket connectors

802 - REVEGO duo			
	Component	Part Number	Description
Hinge Bracket Set		802TXXXX.L2	XXXX changes per length (height) Handed (R2 = Right, L2 = Left)
Pocket Profile Set		802PXXXX.L2	XXX changes per length (depth) Handed (R2 = Right, L2 = Left)
Pocket Connector Set		802V5XXB	With leg levelers XX changes per version (pocket side thickness) Non-handed
		802V6XXB.L1	Without leg levelers XX changes per version (pocket side thickness) Handed (R1 = Right, L1 = Left)
Track Set		802LXXXXD.L1	XXXX changes per length Handed (R1 = Right, L1 = Left)

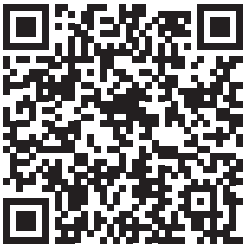

802 - REVEGO duo (continued)			
	Component	Part Number	Description
Assembly Set (Varies)		802M0002.L2	REVEGO duo (only when using one duo application) Handed (R2 = Right, L2 = Left)
	- OR -		
		802M0004	REVEGO duo + duo (only when using two duo applications)
	- OR -		
		802MX003.L1	REVEGO duo + uno (only when using one duo and one uno application) X changes per length Handed (R1 = Right, L1 = Left)
Optional Accessories		802Z	1 - Scuff guards 2 - Inner door supports
Pocket Connector Template		STL.8000	Used to pre-drill pocket panels for pocket connectors
