FROM BRINKS HOME SECURITY

A New, Hip Way to Open a Door

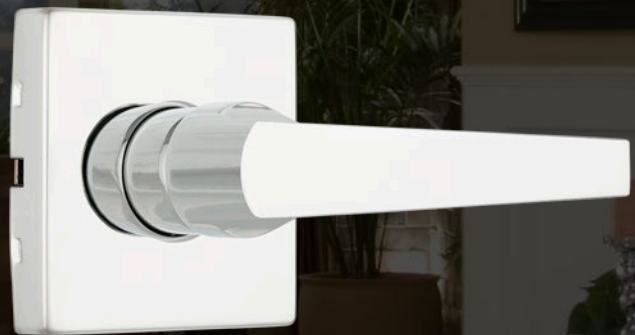

Push Pull Rotate door locks from Brinks Home Security make opening doors easier whether your hands are full or free. A tug with a single finger, or a quick bump with an elbow or hip, can open interior or exterior doors more easily, and without setting down groceries, children, or mobile phones.

Push Pull Rotate door locks, the only locks that open 3 ways.

NEW BUILDER UPGRADE

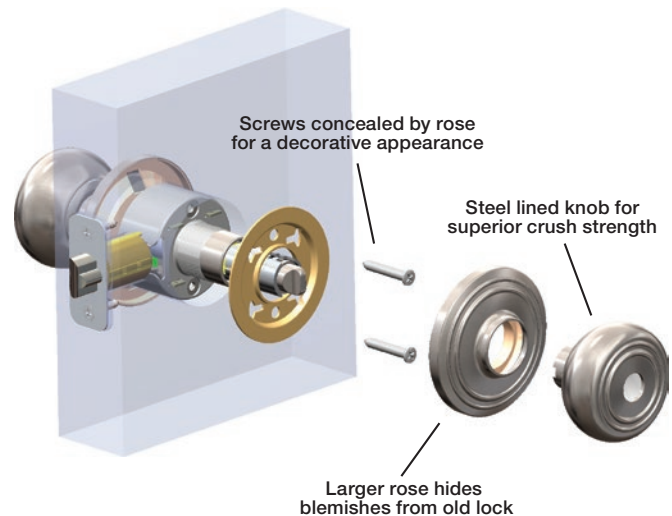

Stand Out! Give home buyers the convenience of opening a door 3 ways!

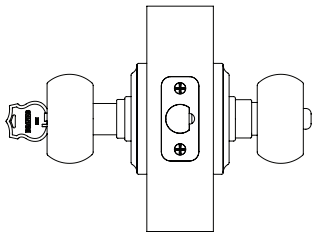

FEATURES & BENEFITS

Superior Craftsmanship

- Cylindrical chassis for durability
- Hidden screws for a more attractive appearance
- Larger rose diameter (almost 3") to hide the blemish from old hardware
- Removable interior knob/lever for a scratch free installation
- Lever meets ADA requirements
- Easy adjustment for door thickness

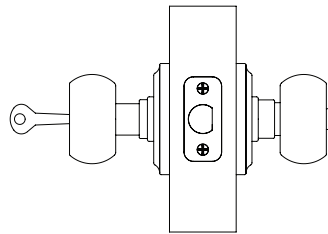

For Any Door in Your House

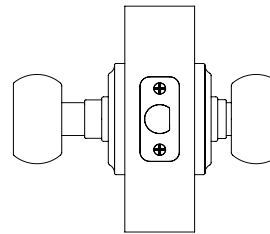

Exterior Locking

Keyed entry for front doors, back doors, and garage doors

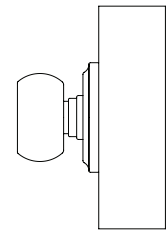

Interior Locking

Privacy locks for bedrooms and bathrooms

Interior Non-Locking

Passage locks for laundry rooms, pantries, kid's rooms, and closets

Dummy

Dummy locks for closets and French doors

LOOKING FOR WAYS TO UPGRADE?

In addition to a wide range of architectural styling, Push Pull Rotate products meet rigorous ANSI Grade 2 residential testing standards. Featuring durable, all-metal construction, Push Pull Rotate products are built on a cylindrical chassis normally used in commercial applications so they are exceptionally durable and come with a lifetime warranty. They are easily installed with a Phillips screwdriver. The keyed products are pick-resistant, bump-resistant, drill-resistant, and the deadbolts are also equipped with anti-pry shields, anti-saw pins, and steel anti-drill plates to provide the highest level of security that consumers expect from Brinks Home Security.

Lifetime Mechanical Warranty • 5 Year Finish Warranty

General Information

UL

UL: Underwriters Laboratories Listed

Push Pull Rotate Locksets knobs and levers, when specified are UL listed for 90 minute fire rating in the US and Canada when used with UL latches. Complementary deadbolts, when specified, are also UL listed for 90 minute fire rating in the US and Canada.

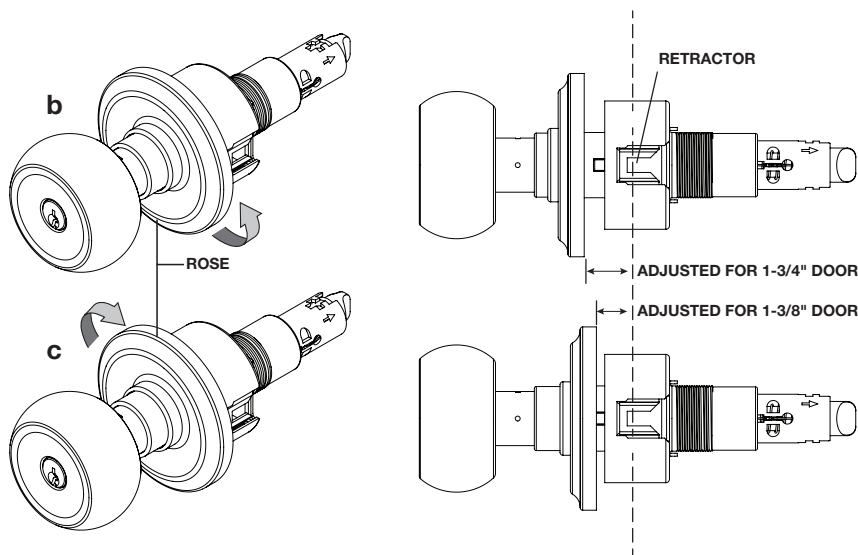

Note: There is a list price upcharge of \$5.00 per latch for UL 90 minute fire rated hardware.

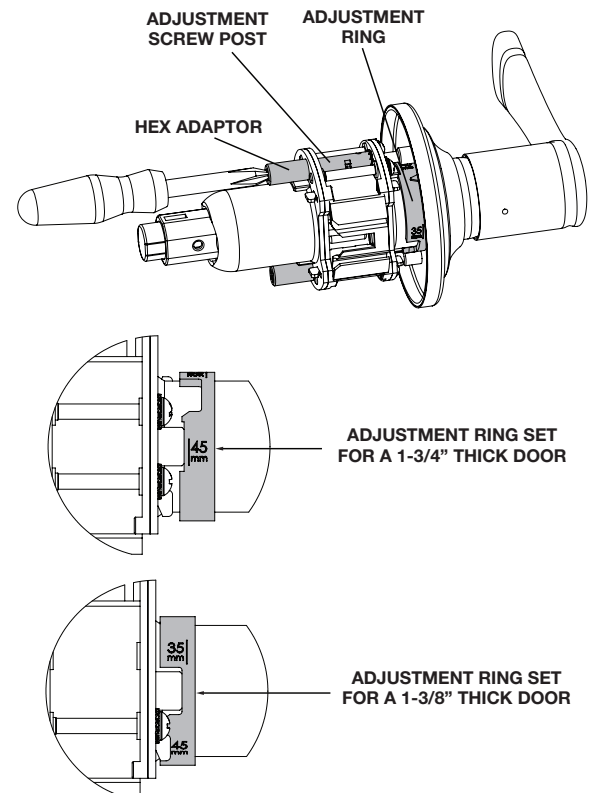

Door Thickness

Door thickness adjustment is critical. The retractor needs to be on the centerline of the door when installed. Keyed hardware is pre-set for thick (1 3/4") doors. Non-keyed hardware is pre-set for thin (1 3/8") doors. If an adjustment is needed, it is easy but the adjustment is different for knobs and levers. See the detailed instructions included in the package or visit bhsppr.com for installation videos.

Knob

Lever

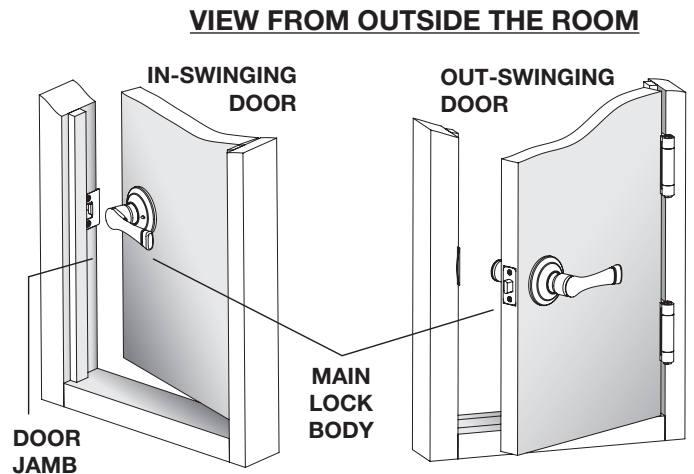

General Information

Door Swing

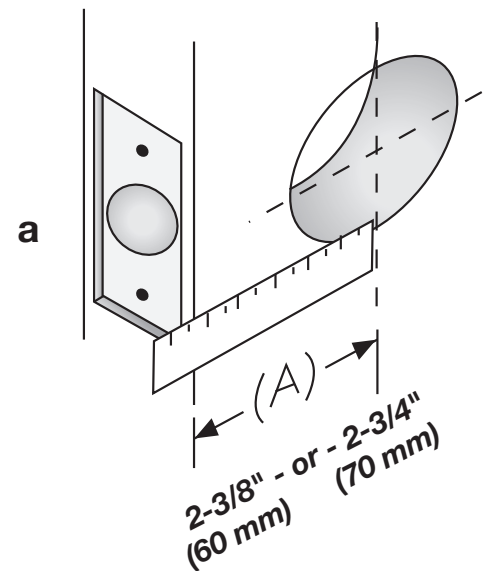

To determine the swing of a door, face the **OUTSIDE** of the door. If the door is pushed into the room to enter from the outside it is an in-swinging door. If the door is pulled open to enter the room from the outside it is an out-swinging door.

NOTE: Push Pull Rotate levers and passage knobs work on both in-swinging and out-swinging doors. Push Pull Rotate keyed and privacy knobs, and handle-sets work on in-swinging doors **ONLY**.

Backset

Backset is the distance from door edge to center of the hole on the door face. Push Pull Rotate products accommodate backsets that are 2 3/8" or 2 3/4".

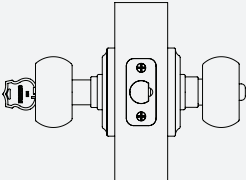

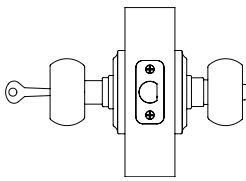

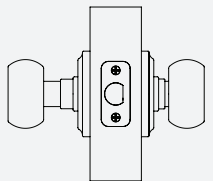

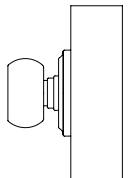

ADA

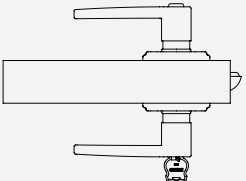

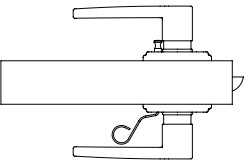

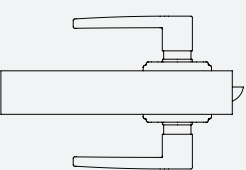

Push Pull Rotate levers comply with the Americans with Disabilities Act of 1990.

ANSI/BHMA FUNCTION DESIGNATIONS & DESCRIPTIONS

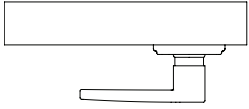

PUSH PULL ROTATE KNOB

	Function	Description	BHMA Standard
	Entry	Both knobs locked or unlocked by key outside or turn button inside. *Not fully complaint with A156.2. Inside knob does not operate the latch when locked.	F81*
	Privacy/Bed/Bath	Both knobs locked or unlocked by turn button inside. Outside knob unlocked by emergency key. *Not fully complaint with definition of either F76A or F76B in A156.2. Inside knob does not operate the latch when locked, nor does it release the locking mechanism.	F76*
	Passage/Hall/Closet	Both knobs always free.	F75
	Dummy	For doors where only a pull is required. Does not operate a latch.	NA

PUSH PULL ROTATE LEVER

	Function	Description	BHMA Standard
	Entry	Outside lever is locked by push button inside. Outside lever is unlocked by key, or by pushing, pulling or rotating the inside lever. Inside lever is always free. Outside lever cannot be locked with key.	F82B
	Privacy Bed/Bath	Outside lever locked by off-set push button inside. Outside lever unlocked by emergency key or by pushing, pulling or rotating inside lever, or by closing the door. Inside lever is always free.	F76A
	Passage/Hall/Closet	Both levers always free.	F75

Function	Description	BHMA Standard
Dummy	For doors where only a pull is required. Does not operate a latch.	NA

PUSH PULL ROTATE DEADBOLT

Function	Description	BHMA Standard
Single Cylinder Deadbolt	Deadbolt operated by key outside and thumbturn inside.	E0152

PUSH PULL ROTATE HANDLESET

Function	Description	BHMA Standard
Passage Handleset with Single Cylinder Deadbolt	Latch bolt operated by pushing on outside handle or by pulling or turning the inside knob or lever. Handle and knob/lever are always free. Deadbolt operated by key outside and thumbturn inside.	E0152 + F75

Loaded down with laundry?...use your hip.

Leaving for work with your hands full?...just pull with your finger.

Dirty hands from working outside?...just push with your elbow.

...Or maybe you just want an easier way to open a door!

Push Pull Rotate Door Locks from Brinks Home Security are the perfect solution!

Terms & Conditions

TERMS AND CONDITIONS OF SALE

Standard terms are 2% prompt payment discount for payment within 30 days from date of invoice; net 31 days from the date of invoice. Hampton Products International (HPI) reserves the right to charge and recover on invoices which are not paid within the above terms, a service charge of 1-1/2% a month for each month or fraction thereof during which the invoice remains unpaid, said service charge, however, not to exceed the highest applicable legal rate of interest. All orders, whether solicited or written by HPI sales representatives or forwarded by our customers are deemed to be mere offers to purchase in accordance with these Terms and Conditions of Sale until actually accepted by us at our home office in Foothill Ranch, CA. HPI reserves the right to refuse any order as well as the right to sell or not sell to any firm at our sole discretion. The acceptance of an order is expressly made conditional upon your assent to these Conditions of Sale. HPI objects to the inclusion of any different or additional terms or conditions, even if the same are included in your order, a contract of sale will result upon the Terms and Conditions of Sale stated herein only. All sales are final.

PRICES

Pricing based on full-case quantities only; orders for less than full case will be automatically adjusted up to the next full-case quantity. All prices are subject to change without notice and are not guaranteed. All taxes, duties or other charges are the responsibility of the customer.

CLAIMS

Price claims must be submitted in writing to Hampton Products, 50 Icon, Foothill Ranch, CA 92610, within 80 days from the date of invoice.

CHANGES OR CANCELLATIONS

Beyond 2 working days of our acknowledgement date no changes can be made. Additions to an order will be handled as a separate order and must meet applicable minimum order requirements. Order cancellation on regular stock items only, or any portion thereof is allowed only upon prior written consent from HPI, and the payment of cancellation charges deemed appropriate.

MINIMUM CHARGE

No order will be invoiced for less than \$100.00 net plus shipping charges except for lock accessory parts.

MINIMUM ANNUAL SALES VOLUME

HPI reserves the right to discontinue direct sales to any customer who does not meet the minimum annual sales volume requirement. The current annual requirement is \$10,000. Your annual purchases are determined by accepted, non-cancelled, and shipped orders received during each calendar year. HPI reserves the right to change any or all minimum annual sales volume requirements at any time. Any customer who does not meet the annual sales volume requirements may continue to purchase HPI products through an HPI distributor.

RETURNS

Defective merchandise returned to 50 Icon Foothill Ranch, CA, requires prior written authorization from an HPI sales representative. A return authorization must accompany the returned shipment. The return authorization must include an itemized listing of the merchandise and an explanation stating the reason for return. There will be a 20% product restocking fee on all returned merchandise.

FREIGHT

All goods are invoiced FOB 50 Icon, Foothill Ranch, CA, 92610. Upon delivery of shipments to the carrier, title to, and the risk of loss or damage in transit for such shipments, passes to the customer. HPI's standard policy is to pay freight charges on all orders over \$500 net invoice value to a single destination in the continental U.S., by carrier and route of our choice. Shipments less than these quantities will not be shipped on a prepaid basis. If higher freight charges are incurred from customers specifying a carrier or route of their choice the additional cost will be added to that customer's invoice.

DELIVERY CONDITIONS

Shipping schedules are our best estimates, and cannot be guaranteed. HPI is not responsible for any direct or consequential loss or damage resulting from an inability or delay in meeting shipping schedules.

FULL LIFETIME MECHANICAL WARRANTY & 10-YEAR LIMITED FINISH WARRANTY

This product is warranted with a Lifetime Mechanical warranty and 10-year Limited Finish warranty to the original user to be free of defects in material and workmanship under normal use and service as long as the original user occupies/manages premises upon which the product was originally installed. HPI provides a 10-year limited lifetime finish warranty on this product under the terms and conditions noted below. If a defect in material or workmanship occurs, or the surface finish defect occurs for reasons other than listed be-

low, call 800-562-5625 for instructions on how to have the product replaced, exchanged for a similar product of equal value, or repaired free of charge. This warranty is null and void if the product was used for purposes for which it was not designed, is abused, misused, modified or improperly installed, operated, maintained, and/or repaired. This warranty DOES NOT COVER scratches; abrasions; deterioration due to the use of paints, solvents, or other chemicals. NOT LIABLE FOR INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion may not apply to you. This warranty provides you with specific legal rights and you may also have other rights that vary from state to state.

PATENT INDEMNITY AND TRADEMARKS

No person or entity may sell, distribute, advertise, market or promote HPI, Brinks, Brinks Home Security or other private label branded products distributed by HPI, without prior written authorization from HPI. Customers of HPI who are authorized to sell Hampton, Brinks, Brinks Home Security and/or other private label branded products are referred to herein as "Customers."

The Hampton brand, and all other licensed/private label brand products, are the sole property of HPI or HPI has legal rights to use the trademark, graphics or logo, (the "Marks"), and such Marks remain under the sole and exclusive authority rights of HPI and nothing arising out of the relationship between HPI and any Customer conveys to Customer any ownership rights in the Marks. Customers may use the Marks and then only in the sale or promotion of authentic HPI products in compliance with the terms of this policy. The Marks must be used exactly in the form provided and in conformity with all HPI and licensed trademark usage policies or guidelines, including, but not limited to, those related to shape, color match and imprint quality. Any proposed deviation must be approved in writing by HPI prior to use. The Marks may not be used in or as part of any Customer domain name or the Internet. Prior to any use of the Marks on goods or services, Customers must submit samples for HPI's approval.

Additionally, no Customer may use product depictions, graphics, logos or text relating to HPI products (or its licensed or private label brand) that have not been provided by HPI in connection with the advertising, promotion or sale of HPI products without HPI's prior review and written approval of each such use. The Marks may not be used in or as part of any reseller or other third party (i) domain name or VRL or the Internet, (ii) trademark or service mark, or (iii) company or trade name. Any action on the part of a Customer that violates the terms and condition of sale of this policy or otherwise impairs the value of or goodwill associated with the Marks or is otherwise not in conformity with HPI's standards may result in the suspension or termination of the Customer's authorization or any other remedy permitted by law.

HPI grants to each of its Customers limited, non-transferable, non-sublicenseable licenses of the patents relating to the HPI products that the Customer is authorized to sell and of the copyrights in any packaging or other written materials included therewith or relating thereto. Said patent and copyright licenses are solely to sell such HPI, or its licensed or private label brand, products covered by such patents and to which such copyrights relate only to the end-user and other Customers in compliance with the terms and conditions of this document. The sales of such patented HPI products and the sale or use of such copyrighted materials by a Customer that violate the terms and conditions of this document exceed the scope of the licenses herein granted to the Customer and may constitute patent and/or copyright infringement.

STANDARDS

HPI meets or exceeds the testing requirements specified for each product grade or rating.

- American National Standards Institute (ANSI)
- Underwriters Laboratories, Inc. (UL)
- Americans with Disabilities Act (ADA)

MISCELLANEOUS

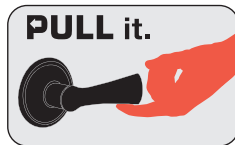

Substitution of non-HPI components/parts, and any alteration or modification of factory parts, and other lock manufacturer's parts may result in door hardware which does not function properly or will fail and will void all warranties. Orders not specified with keying requirements will be shipped keyed alike in groups of 3 (KA). Orders with keying requirements of KA12 or more must have a "Letter of Release" on file with HPI stating that HPI will not be held liable for cost and expense arising from any loss or damage to property utilizing HPI products where 12 or more locks have been keyed alike. Contact your Sales Office account representative for a copy of the release form. HPI reserves the right to revise or modify products, product information, or pricing without notice. Product specifications and pricing reflect available information at the time of printing. HPI is not responsible for typographic or printing errors.
